Gary Shoeniger ([gary@elimindset.com](mailto:gary@elimindset.com))

### Program Requirements

The Entrepreneurial Mindset Boot Camp is designed to be a self-directed learning experience. Participants will be immersed in highly ambiguous, resource-constrained circumstances designed to cultivate self-reliance and resourcefulness, creative and critical thinking, communication, effective problem solving, teamwork, and other essential entrepreneurial skills.

Successful completion of the program will therefore be largely self-determined. For the those who wish to receive a certificate of completion, the requirements are as follows:

- Complete all Ice House video lectures
- Weekly contribution to class discussions and online forums
- Active participation in group projects
- Demonstration of creative and critical thinking
- Project completion including participation in final presentation
- Completion of a personal vision statement
